

Lawrence String Academy procedures and policies regarding COVID-19 and social distancing

LAWRENCE STRING ACADEMY

The Lawrence String Academy is committed to protecting the health of all Academy participants.

As of Fall 2021, all lessons and recitals will be administered live. Group classes will remain online.

The following steps will be taken to ensure the safety of student and teacher:

- Please stay in your vehicle until the student from the previous lesson has left the building.
- hand sanitizer will be available and accessible.
- masks are optional if all parties are vaccinated. If a student prefers that teacher and student be masked for the lesson, the request will be honored by all participants.
- lesson space will be clearly marked to ensure that teacher and student remain 6 feet apart
- No more than three (3) people are allowed entrance to the lesson.

Online lessons will continue to be available for those who prefer that lesson format.
